

The Refior News Bulletin

Paul, Pam, Nikki & Laura

August 10, 1987

GREETINGS!

They say that a picture is worth a thousand words. The picture below accurately describes things at the office.

The Lord is so very good and so very faithful. In the midst of a "crunch" time we have seen the Lord provide special times as a family and opportunities to get some rest. Last week Laura was at a church camp. Then Friday and Saturday we took our children's group from church on an overnight camp out at Potato Creek State Park. That really was a fun time as a family and with the kids. The park has asphalt bike trails through the woods as well as many other wonderful facilities. This morning Nikki left for band camp. We will be going over to see their performance this Friday evening.

Nikki received a special award and recognition at the school board meeting for having earned straight A's for all grading periods last year. Laura went to cheerleading classes at the park and finished gymnastics for the summer. We were able to get away for a weekend last month. That was a special time.

Brian Weiss completed the bar exam. He will get the result approximately October 1. Lisa Butler is now Lisa Grainge. Lisa

and David had a very lovely and Christ-honoring wedding at church. Lisa will be returning back to work later this week following her honeymoon.

We are looking forward to Pam's parents visiting us later this month. Since they moved to California three years ago it has been much more difficult, of course, for us to get together. My mother has had continued health and strength following a miraculous recovery from severe strokes last year.

School will soon be back in session. We look forward to watching Nikki perform during football games as a part of the Warsaw High School Marching Band. We also look forward watching Laura as she is a cheerleader for the Warsaw Christian Eagles. She will be cheerleading for the upcoming soccer games.

Other than the completion of the harvesting from our garden and putting in some landscaping around the house, things are expected to be rather "normal" around the Refior house for the next few weeks. We do have one special activity planned next week which is to travel to Indianapolis and the Pan Am Games (women's gymnastics, men's semi-final basketball game and women's semi-final basketball game). We love to receive letters so we would be greatly blessed if we would hear back from you.

Sincerely,
