Dear Jack and Helen,

Hello after a long, long, long time! This morning during my devotions I was praying for you folks and I decided it was time to write you a short letter.

I am curious how you all are doing. How are Lynn and the baby? How about the rest of the growing Hegart clan? How is work? How's church? Any progress on a new pastor? Any big news in Wyoming? Please write us a letter and fill us in on all of the answers and news.

The Lord continues to bless us abundantly in true riches (the imperishable kind) here in Indiana. We are ever so happy to be living in the midwest and particularly to reside here in the Warsaw area. We are active, involved, and very happy at our church here. The name of the church is Pleasant View Community Church. It is a solid Bible-believing independent fundamental church. Even though it is a large church, there seems to be no divisions or strife in the body and we are working together to serve the Lord and reach the world for Jesus Christ. Pam and I are the leaders of the Word of Life Olympian program for grades 1-6. We meet during the mid-week meeting. Additionally, we are now putting on a musical with our Olympian group. This requires a lot of work but it is very worthwhile. After we put the musical on for the church, we will be going out to nursing homes and other places as an outreach ministry of the church.

My law practice is doing well and I am involved a challenging variety of legal work. I thoroughly enjoy being a solo practitioner. Even though it is not the most economical way to go, and even though statistics say that solo practitioners make less money than lawyers in other types of law firms, I definitely have the opportunity and freedom to make decisions about my business. It may be a small ship, but I certainly enjoy being the captain!

As you know, the Enyearts are here in town. Jerry and I are the two principals in a marketing corporation named Corban, Inc. This is not a peak selling season so we are watching our P's & Q's for the next while as preparations are being made for the big sales to come in the near future.

Pam and the girls are doing great. Nikki is a couple of inches taller than Pam and is in the seventh grade. She could easily pass for a high school student. Laura also is sprouting up rapidly. She is in the first grade. The girls are involved in a host of activities and lessons. We as a family are growing in the Lord and it is a joy to see God working in the family.

I would like to get out to visit Pinedale one of these days. The distance is long but the beauty of the mountains and the quality of our friends in that area certainly makes us want to visit.

Please give our love to the other folks in Pinedale. Now it is your turn to write a letter. There is still time before the end of March . . .

Sincerely,

A handwritten signature in cursive script that reads "Paul".

Paul D. Refior
